POLICEMAN

Now Stays on the Glen Elk Bridge and Keeps Order There.

Harry L. Brooks, police chief, announces that the Glen Elk bridge is as safe and free from annoyance to pedestrians as any street in the city.

Complaint had been made to the chief that pedestrians had been annoyed on the bridge by loafers and hoodlums, who would make unbecoming remarks and beg money from them. The chief decided to break this up and he stationed an officer in

plain clothes on the bridge with the result that the best of order is now maintained there.

This officer is still on duty and will be kept there hereafter by the chief.

FIRST BAPTISMS HERE.

The Rev. Dr. W. C. Taylor of the First Baptist church administered two baptisms Sunday night, the first by him since he became pastor of the local church.

WAS SICK THIRTY YEARS

Bowie, Tex.—The remarkable case of Mrs. S. J. Embry who lives near here is attracting attention, on account of her restoration to health after many years of suffering. She tells of it in a letter as follows:

"During the past thirty years I have suffered greatly from nervous troubles and my health was badly run down. Later I learned of your cod liver and iron tonic, Vinol, and began taking it."

"I have used several bottles and improved so fast that I at once recommended it to two friends who were in poor health. My case was complicated but Vinol did wonders for me. Every woman who suffers from nervousness and weakness should take Vinol and recover her health."

It is plain that a remedy that will overcome a chronic rundown condition like this is just what weak and sickly men, women and children everywhere need. If you want to be strong and healthy again, take Vinol, on our positive promise to give back your money if you are not satisfied.
